

**Administrative Record Chronological Index  
for the  
SHAVER'S (HAROLD) FARM Removal Site**

1969	17. 7. Toxicity information for some herbicides, USDA Agriculture Handbook.
3/71	17. 7. "Banvel [dicamba] Herbicide General Bulletin," The Growing World of Velsicol, Agricultural Division, Bulletin.
4/9/72	13. 7. "Walker Ecology Battle Smolders Over Disposal of Latex Wastes," Chattanooga Times.
4/11/72	17. 7. Letter from George L. Harlow, EPA Region IV, to Jim Harless, Walker County Health Department. This letter transmitted the attached EPA Region IV memorandum on a March 30, 1972 site visit, with general background and comments regarding the leakage of latex waste at the Standard Brands Land Fill north of Kensington, Georgia.
5/26/72	17. 7. Letter from R.B. Hadgraft, Standard Brands Chemical Industries, Inc., to Clyde J. Roberts, Georgia Environmental Protection Division. This letter confirmed a telephone conversation on May 25, 1972, concerning the Shaver property and the proposed dumping of dewatered latex waste (with attachments).
6/5/72	17. 7. Letter from C.H. Shaver to Moses N. McCall, III, Georgia Environmental Protection Division. This letter concerned C.H. Shaver's application for a permit to landfill dewatered latex from Standard Brands Chemical Industries, Inc..
6/16/72	17. 7. Letter from S.J. Spigolon, Barrow-Agee Laboratories, to Standard Brands Chemical Industries, Inc. This letter transmitted the attached field percolation tests and engineering evaluation reports for the Shaver's Farm Drum Disposal Site.
6/16/72	17. 7. Soil Boring Exploration; Shaver's Farm Disposal Area, Kensington, Georgia for Standard Brand Chemical Industries, Kensington, Georgia, by Barrow-Agee Laboratories, Inc.
6/30/72	17. 7. Letter from R.B. Hadgraft, Standard Brands Chemical Industries, Inc., to Moses N. McCall, Georgia Environmental Protection Division. This letter provided results for analytical tests performed on boring samples taken at Shaver's Farm.

for the  
SHAVER'S (HAROLD) FARM Removal Site**

7/27/72	17. 7. Letter from R.B. Hadgraft, Standard Brands Chemical Industries, Inc., to Sydney Mathis. In this letter Standard Brands stated their willingness to cooperate with Sidney Mathis in closing his landfill.
12/27/72	17. 7. "Field Trip Report," Clyde F. Fehn, Georgia Environmental Protection Division, and Randolph D. Williams, Georgia Environmental Protection Division. This report documented a site visit to the Latex disposal area for Standard Brands Chemical Industries, Inc. [Shaver's Farm], Walker County, Georgia (with attachments).
1/22/73	17. 7. "Field Trip Report," Clyde F. Fehn, Georgia Environmental Protection Division. This report documented a site visit to the Latex disposal area for Standard Brands Chemical Industries, Inc. and American Latex Company [Shaver's Farm], Walker County, Georgia.
2/15/73	17. 7. Memorandum from Donald R. Stuber, Georgia Environmental Protection Division, to The Record. This memorandum memorialized Mr. Stuber's telephone conversation with Bill Voshell, Standard Brands Chemical Industries, Inc. The phone conversation primarily addressed disposal of latex waste.
4/23/73	17. 7. Letter from Norman S. Fletcher, Fletcher and Watson, to Roy E. Parrish, Walker County Commissioner. In this letter Mr. Fletcher, in response to a request from Mr. Parrish, stated that he was of the opinion that dumping of industrial waste from the Chattanooga, Tennessee area could be enjoined under the provisions of the Code of Georgia, Section 23-3201.
5/3/73	17. 7. Letter from Donald R. Stuber, Georgia Environmental Protection Division, to Theodore H. Noe, Georgia Environmental Protection Division. In this letter Mr. Stuber addressed the monitoring of the Standard Brands Chemical Industries, Inc. and American Latex Company Latex Waste Disposal Site [Shaver's Farm], Walker County, Georgia.
7/13/73	17. 7. Letter from James D. Harless, Walker County (Georgia) Health Department, to Theodore H. Noe, District Chief Environmental Sanitation, Coosa Valley Health District. This letter discussed the monitoring of latex waste disposal sites in Walker County, Georgia (with attachments).
11/15/73	17. 7. "Trip Report: Shaver's Farm, Mathis Disposal Site, Walker County, Georgia;" Clyde F. Fehn, Georgia Environmental Protection Division. The purpose of this report was to investigate a report that toxic wastes from the Velsicol Chemical Corporation in Chattanooga, Tennessee were disposed of by the Mathis brothers at the Shaver's Farm Drum Disposal Site.

for the  
SHAVER'S (HAROLD) FARM Removal Site**

11/16/73	13. 7. "Walker County Velsicol Plant in Waste Hassle," Chattanooga News-Free Press.
11/17/73	13. 7. "Velsicol Waste to get Analysis for Toxicity".
11/19/73	17. 7. "Trip Report," Clyde F. Fehn. This report documented a meeting held with Walker County, Georgia, and Velsicol Chemical Corporation officials. The meeting concerned the disposal of wastes from the Velsicol plant in Chattanooga, Tennessee.
12/13/73	17. 7. Letter from Moses N. McCall, Georgia Environmental Protection Division, to Moses Mathis. This letter informed Mr. Mathis that Georgia Environmental Protection Division had been advised that he was hauling and disposing of waste from the Velsicol Chemical Company. The letter also requested that, because of the Velsicol waste, Mr. Mathis relocate his landfill to a new location to be approved by the Georgia Environmental Protection Division.
12/27/73	17. 7. Letter from George W. Brunig, Walker County [Georgia] Engineer, to B. Stephenson, Stewart Laboratories. This letter requested Stewart Laboratories analyze three samples for the herbicide Banvel [dicamba]. The samples were taken at different burial sites in Walker County, Georgia.
1/16/74	17. 7. Letter from Barry A. Stephenson, Stewart Laboratories, Inc., to Roy E. Parrish, Jr., Commissioner of Walker County. This letter transmitted the attached analytical results of tests, for Banvel (dicamba), conducted on samples taken in Walker County, including at the Shaver's Farm Drum Disposal Site.
1/18/74	17. 7. Memorandum from Clyde F. Fehn, Georgia Environmental Protection Division, to John D. Taylor, Georgia Environmental Protection Division. This memorandum discussed the disposal of Banvel [dicamba] and benzonitrile wastes from the Velsicol Chemical Corporation at the Shaver's Farm Drum Disposal Site. The memorandum also discussed general site conditions and the need for an industrial waste disposal site in Walker County..
1/21/74	17. 7. Memorandum from Clyde F. Fehn, Georgia Environmental Protection Division, to John D. Taylor, Georgia Environmental Protection Division. This memorandum discussed additional issues relating to the disposal of waste from the Velsicol Chemical Corporation in Walker County, Georgia, including the termination of the Mathis Brothers contract to dump at Shaver's Farm.

for the  
SHAVER'S (HAROLD) FARM Removal Site**

2/26/74	17. 7. Letter from Clyde F. Fehn, Georgia Environmental Protection Division, to Ed Konderla, Velsicol Chemical Company. This letter confirmed that the Velsicol Chemical Corporation would discontinue landfill disposal of wastes in Georgia until: 1. Georgia's revised guidelines on the sanitary landfill of disposal of hazardous wastes were finalized. 2. Until Velsicol made arrangements to dispose of it's wastes in an official State-approved hazardous waste site.
2/26/74	17. 7. Letter from John D. Taylor, Georgia Environmental Protection Division, to Moses Mathis. This letter informed Mr. Mathis that Velsicol Chemical Corporation had been told to discontinue dumping wastes in Georgia.
3/22/74	17. 7. Letter from Garland G. Watson, Velsicol Chemical Corporation, to Jerry M. Loftin, State of Tennessee Department of Health and Environment. This letter discussed the levels, and volume of waste that the Velsicol Chemical Company was to disposed of..
4/1/74	17. 7. Letter from Jerry M. Loftin, State of Tennessee Department of Public Health, to Garland G. Watson, Velsicol Chemical Corporation. This letter authorized Velsicol to dispose of Banvel sludge in a registered sanitary landfill. The letter also stated specific conditions and requirements that Velsicol was required to meet; including when and where they could dump and the type of monitoring they were required to perform.
7/1/74	17. 7. "(Excerpts from) Supplemental Draft Environmental Impact Analysis, West Georgia Tollway, Lafayette (Geology)," Georgia Department of Transportation.
9/17/74	17. 7. A memorandum from Roy Baggett, Georgia Environmental Protection Division, to file. This memorandum contained a summary of Mr. Baggett's visit to the closed-out Mathis Brothers latex disposal site at the Shaver's Farm Drum Disposal Site.
9/17/74	17. 7. Letter from Roy Baggett, Georgia Environmental Protection Division, to Moses Mathis. This letter summarized a meeting between Mr. Baggett and Mr. Mathis on September 4, 1974. It also summarized several problems at the Standard Brands Latex Disposal Site on Shaver's Farm, and outlined measures need to completely close-out the site.
11/12/74	17. 7. Letter from Garland G. Watson, Velsicol Chemical Company, to Bill Fleming, Georgia Environmental Protection Division. This letter provided a chemical analysis of the benzonitrile residue Velsicol Chemical Company wanted to landfill at the Shaver's Farm Drum Disposal Site.

for the  
SHAVER'S (HAROLD) FARM Removal Site**

12/5/74	17. 7. Application for Solid Waste Handling Permit, Tally Construction Company at Standard Brands Chemical Company, Chickamauga, Walker County, Georgia.
1/2/1975	17. 7. Letter from Roger N. Talley, Talley Construction, to Georgia Environmental Protection Division. In this letter Mr. Talley stated that his firm would only be responsible for digging and backfilling at the Standard Brands Chemical Industries, Inc. landfill at the Shaver's Farm Drum Disposal Site.
1/16/75	17. 7. Memorandum from Clyde F. Fehn, Georgia Environmental Protection Division, to file. This memorandum memorialized a telephone conversation with Mr. Garland Watson, Velsicol Chemical Company regarding the possibility of granting a temporary permit to Moses Mathis to haul Banvel [dicamba] waste to a Jonesville, Tennessee sanitary landfill.
8/7/75	17. 7. Memorandum from R. Collins Nix, Georgia Environmental Protection Division, to file. This memorandum discussed the granting of a solid waste handling permit for the Standard Brands Chemical Industries, Inc. Disposal Operation at the Shaver's Farm Drum Disposal Site.
8/12/75	17. 7. Letter from Moses N. McCall, Georgia Environmental Protection Division, to R.B. Hadgraft, Standard Brands Chemical Industries, Inc. This letter transmitted the attached Georgia Environmental Protection Division Solid Waste Handling Permit, #146-004D(SL), issued to Standard Brands Chemical Industries, Inc..
10/14/75	17. 7. Memorandum from L. Perry, GAF Corporation, to F. Weatherill, GAF Corporation. This memorandum transmitted the attached memorandum from R.L. Siegmann, GAF Corporation, to files. The R.L. Seigmann memorandum provided a chronology of the GAF Corporations relationship with the Mathis Construction Company.
11/25/75	17. 7. Letter from Roy Baggett, Georgia Environmental Protection Division, to Bob Hadgraft, Standard Brands Chemical Industries, Inc. This letter transmitted the attached Disposal Site Evaluation Report (Sanitary Landfill), based on Mr. Baggett's November 19, 1975 visit to the Standard Brands Chemical Industries, Inc. landfill at the Shaver's Farm Drum Disposal Site.
4/15/76	17. 7. Letter from G.A. Scrutchfield, Reichold Chemicals, Inc., to Kim Ives, Georgia Environmental Protection Division..

5/24/77	17. 7. Letter from G.G. Watson, Velsicol Chemical Corporation, to Joe W. Newton, Georgia Environmental Protection Division. This letter discussed disposal of benzonitrile waste for the Velsicol Chemical Corporation by Moses Mathis.
6/2/77	17. 7. Letter from G.G. Watson, Velsicol Chemical Corporation, to Joe W. Newton, Georgia Environmental Protection Division. This letter transmitted information concerning benzonitrile waste Velsicol Chemical Corporation was having disposed of by Moses Mathis..
7/11/79	13. 7. "Wastes Health Hazard: Industrial Dumps Pose Problems," Chattanooga Times.
1981	17. 7. "Geology and Ground-Water Resources of Walker County, Georgia," Charles W. Cressler.
4/10/84	17. 7. Memorandum from Charles P. Evans, State of Georgia Department of Natural Resources, to Joseph T. Surowiec, State of Georgia Department of Natural Resources. Through this memorandum Mr. Evans recommended inspection of the Shaver's Farm Drum Disposal Site for submission to the Comprehensive Environmental Response, Compensation and Liability Act CERCLA list.
4/20/84	1. 8. Potential Hazardous Waste Site, Preliminary Assessment - Shaver's Farm Drum Disposal Site.
8/13/84	17. 7. Trip Report by Charles P. Evans, Georgia Environmental Protection Division. This report summarized Mr. Evans visit to the Shaver's Farm Drum Disposal Site. Mr. Evans was attempting to investigate the area where waste from Velsicol Chemical Corporation had been landfilled.
10/1/84	11. 9. Letter from Jeffrey Teitel, GAF Corporation, to Raymond T. Wilkerson, EPA Region IV. This letter was in response to an August 14, 1984, EPA Region IV Information Request letter..
11/1/84	1. 9. Letter from Joel Veater, EPA Region IV, to Mrs. Harold Shaver. This letter confirmed planning activity scheduled by telephone for the week of November 5, 1984.
11/12/84	1. 9. Potential Hazardous Waste Site, Site Inspection Report - Shaver's Farm Drum Disposal Site.

12/20/84	1. 1. Letter from Charles Evans, State of Georgia Department of Natural Resources, to Ray Wilkerson, EPA Region IV (with attachment). This letter transmitted the attached map of known and suspected disposal areas at the Shaver's Farm Drum Disposal Site.
1985	2. 2. Geophysical Study, Shaver's Farm Landfill and Mathis Brothers Chickamauga Road Landfill Sites, Chickamauga, Georgia, ESD Project No. 85E-018 and 85E-014.
5/3/85	17. 7. Trip Report, prepared by Charles P. Evans, Georgia Dept. of Natural Resources (GDNR). Detailing a site visit conducted March 26-27, 1985, to the Mathis brothers Chickamauga Landfill site, Walker County, Georgia.
6/5/85	17. 7. Memorandum from Charles P. Evans, Georgia Environmental Protection Division, to Joseph Surowiec, Georgia Environmental Protection Division. This memorandum transmitted analytical results for a grab sample collected at the Shaver's Farm Drum Disposal Site.
6/18/85	1. 9. "Site Screening Investigation Report, Shaver's Farm, Lafayette, Georgia, Revision 0," NUS Corporation. Transmitted by letter from Michael D. Proffit, NUS Corporation, to Richard D. Stonebraker, EPA Region IV.
1/3/86	1. 1. Record of Communication from Camilla Bond Warren, EPA Region IV, to Frank Richardson, Walker County Public Health Department. This record memorialized a telephone conversation in which Mr. Richardson estimated 500 wells in the vicinity of the Shaver's Farm Drum Disposal Site.
1/23/86	2. 8. Memorandum from Diane Hazaga, EPA Region IV, to Jan Rogers, EPA Region IV. This memorandum documented a January 21, 1986, site investigation conducted at the Shaver's Farm Drum Disposal Site.
1/27/86	1. 1. A Record of Communication from Camilla Bond Warren, EPA Region IV, to Frank Richardson, Walker County Public Health Department. This record memorialized a telephone conversation in which Mr. Richardson described the trenches and wastes buried at the Shaver's Farm Drum Disposal Site.
1/27/86	1. 1. Record of Communication from Camilla Bond Warren, EPA Region IV, to Mike Bunn, Walker County Extension Agent. This record memorialized a telephone conversation concerning irrigation in Walker County, Georgia.

2/3/86	1.10. Memorandum from Greg Powell, EPA Region IV, to Jon Johnston, EPA Region IV. This memorandum provided a report on the cursory hydrogeologic investigation of the Shaver's Farm Drum Disposal Site.
2/3/86	1. 1. Letter from Camilla Bond Warren, EPA Region IV, to Mike Bunn, Walker County Extension Agent. This letter thanked Mr Bunn for the information he provided concerning irrigation and cattle watering in the vicinity of Shaver's Farm.
2/3/86	1. 1. A memorandum from Camilla Bond Warren, EPA Region IV, to file. This memorandum documented a meeting with Charles W. Cressler, U.S. Geologic Survey (USGS), concerning the hydrogeology in the vicinity of the Shaver's Farm Drum Disposal Site.
2/6/86	2. 8. Memorandum from Chuck Pietrosewicz, Agency for Toxic Substances and Disease Registry (ATSDR), to Camilla Warren, EPA Region IV..
3/31/86	2. 8. Memorandum from Camilla Bond Warren, EPA Region IV, to Jon Johnson, EPA Region IV. This memorandum served as a trip report for a January 21-22, 1986 visit to the Shaver's Farm Landfill.
5/30/86	1. 1. Record of Communication from Camilla Bond Warren, EPA Region IV, to Kim Primmer, Georgia Game and Fish Division. This record memorialized a telephone conversation concerning fishing in West Chickamauga Creek and tributaries.
6/2/86	1. 1. Record of Communication from John Culpepper, EPA Region IV, to Camilla Bond Warren, EPA Region IV. This record memorialized a telephone conversation concerning the use of West Chickamauga Creek for drinking water.
7/16/86	2. 2. Memorandum from Wade Knight, EPA Region IV Environmental Services Division, to Camilla Bond Warren, EPA Region IV. This memorandum transmitted results of analytical tests for extractable organics, purgeable organics and pesticides/PCB's and other chlorinated compounds (attached).
9/17/86	2. 2. Results of tests for metals and specified analysis.

10/26/87	10.11. Letter from Dennis P. Reis, Sidley and Austin (attorney for Velsicol Chemical Company), to Charles E. Rooks, EPA Region IV. This letter attempted to summarize a meeting, October 15, 1987, concerning the Administrative Order issued to the Velsicol Chemical Company.
11/3/87	10.11. Letter from Dennis P. Reis, Sidley and Austin (attorney for Velsicol Chemical Company) to Charles Rooks, EPA Region IV. This letter summarized agreements reached between Velsicol and EPA Region IV during a November 2, 1987 telephone conference.
11/25/87	2. 4. Letter from Bobby D. Allen, Memphis Environmental Center, Inc., to Charles E. Rooks, EPA Region IV. This letter transmitted the attached copy of the Schedule of Activities for Shaver's Farm Landfill Site, November, 1987.
12/14/87	2. 4. "Shaver's Farm Investigative Plan, December, 1987," Memphis Environmental Center, Inc. Transmitted from George Harvell, Velsicol Chemical Company, to Ray Strickland, EPA Region IV.
2/1/88	2. 4. Memorandum from Phil Blackwell, NUS Corporation, and Dan Marion. This memorandum provided information on the proton magnetometer and the EM-34, used in conducting geophysical surveys.
3/8/88	2. 4. "Laboratory Report, Anaerobic Soil Metabolism of dicamba," Sandoz Crop Protection Corporation.
3/30/88	10.11. Administrative Order by Consent: In The Matter Of: Shaver's Farm Landfill Site, Walker County, Georgia, Velsicol Chemical Company, Respondent. EPA Docket No. 88-10-C.
4/21/88	2. 2. Letter from Bobby D. Allen, Memphis Environmental Center, Inc., to Shelva Morrisette. This letter transmitted analytical data on the spring water at the Shaver's Farm Drum Disposal Site, as requested during a conversation on April 20, 1988.
4/29/88	2. 8. Memorandum from Cody Jackson, Agency for Toxic Substances and Disease Registry (ATSDR) , to Ray Strickland, EPA Region IV. This memorandum provided an Agency for Toxic Substances and Disease Registry (ATSDR) review of samples taken at the Shaver's Farm Drum Disposal Site.

12/14/88	2. 4. Memorandum from Chuck Eger, EPA Region IV, to Dan Thoman, EPA Region IV Environmental Services Division. This memorandum transmitted the November 14, 1988 Memphis Environmental Center, Inc. review findings for, and comments on the revised Site Sampling Plan for Shaver's Farm Suspected Drum Disposal Site (received by EPA Region IV on December 12, 1988).
12/22/88	2. 4. Memorandum from Daniel Thoman, EPA Region IV Environmental Services Division, to Chuck Eger, EPA Region IV. This memorandum transmitted EPA Region IV Environmental Services Division's comments on the proposed site sampling plan for the Shaver's Farm Drum Disposal Site.
1/31/89	2. 4. Memorandum from Chuck Eger, EPA Region IV, to file. This memorandum memorialized telephone discussions regarding the advantages of using multiple geophysical imaging techniques at the Shaver's Farm Drum Disposal Site.
2/10/89	2. 4. A letter from Rob James, EPA Region IV, to Dennis P. Reis, Sidley And Austin (Attorneys for Velsicol Chemical Company). This letter explained why EPA Region IV would require two (2) independent and separate geophysical surveys at the Shaver's Farm Drum Disposal Site.
2/15/89	2. 8. Memorandum from Rutherford B. Hayes, EPA Region IV, to Robert Jourdan, EPA Region IV. This memorandum recommended dicamba and benzonitrile clean-up levels based on protection of groundwater.
2/24/89	2. 4. Record of Communication from Chuck Eger, EPA Region IV, to Fred Sloan, and Dan Thoman, EPA Region IV Environmental Services Division. This record memorialized a telephone conversation concerning sampling and the need for additional geophysical work at Shaver's Farm.
5/25/89	2. 8. Memorandum from Elmer Akin, EPA Region IV, to Rob James, EPA Region IV. This memorandum provided a review of the groundwater protection clean-up level, and recommended a revised clean-up level for benzonitrile.
6/1/89	2. 4. Letter from Bobby D. Allen, Memphis Environmental Center, Inc., to Chuck Eger, EPA Region IV. This letter transmitted the Memphis Environmental Center Work Plan for the geophysical survey to be conducted at the Shaver's Farm Drum Disposal Site.

6/89	2. 4. Remediation Closure Plan, Shaver's Farm, by McBride-Ratcliff and Associates, Inc. for Memphis Environmental Center, Inc.
6/1/89	2. 2. A memorandum from Donnissa L. Duvic, Roy F. Weston, Inc., to file. This memorandum contained analytical results prepared by Burmah Technical Services for the Shaver's Farm Drum Disposal Site.
6/89	2. 2. "Proton Magnetometer and EM-34 survey results for the Shaver's Farm Drum Disposal Site (maps compiled from data) ".
6/89	2. 2. "Proton Magnetometer and EM-34 survey results for the Shaver's Farm Drum Disposal Site (data)".
6/89	2. 4. Shaver's Farm Remediation Closure Plan (with comments), by McBride-Ratcliff and Associates, Inc. for Memphis Environmental Center, Inc.
6/6/89	2. 4. Fax from Chuck Eger, EPA Region IV, TO Bobby D. Allen, Memphis Environmental Center, Inc. In this document Mr. Eger outlined and gave EPA Region IV approval to a geophysical survey for the Shaver's Farm Drum Disposal Site.
6/10/89	2. 4. Letter from Rob James, EPA Region IV, to Dennis P. Reis, Sidley and Austin (Attorneys for Velsicol Chemical Company). This letter summarized time tables determined at a meeting held to discuss proposed plans and activities concerning activity at the Shaver's Farm Drum Disposal Site.
6/15/89	2. 4. Letter from Bobby D. Allen, Memphis Environmental Center, Inc., to Chuck Eger, EPA Region IV. This letter transmitted the raw data produced during the geophysical surveys conducted by Memphis Environmental Center, Inc. at the Shaver's Farm Drum Suspected Disposal Site.
7/7/89	2. 2. Memorandum from Donnissa L. Duvic, Roy F. Weston, Inc., to file. This memorandum contained analytical results prepared by U.S. Pollution Control, Inc. for the Shaver's Farm Drum Disposal Site.

SHAVER'S (HAROLD) FARM Removal Site**

7/11/89	2. 2. Letter from Bobby D. Allen, Memphis Environmental Center, Inc., to Rob James, EPA Region IV. This letter, and the accompanying attachments, were submitted by Memphis Environmental Center to support their assertion that Potentially Responsible Party status should be assigned to generators of the latex waste present at the Shaver's Farm Drum Disposal Site.
7/25/89	2. 4. Memorandum from Donald Hunter, EPA Region IV Environmental Services Division, to Chuck Eger, EPA Region IV. This memorandum provided comments on the Geophysical Survey Report and Remediation/Closure Plans for the Shaver's Farm Drum Disposal Site, ESD Project No. 89E-316.
8/7/89	2. 4. Letter from Jan Rogers, EPA Region IV, to Bobby D. Allen, Memphis Environmental Center, Inc. This letter acknowledged receipt of the Geophysical Survey, June 19, 1989 and the Remediation/Closure Plan, June 30, 1989 for the Shaver's Farm Drum Disposal Site. Also included in the letter were EPA Region IV's comments on both plans.
8/23/89	2. 4. Letter from Bobby D. Allen, Memphis Environmental Center, Inc., to Jan Rogers, EPA Region IV. This letter transmitted Memphis Environmental Center response to EPA Region IV's August 7, 1989 comments on the Shaver's Farm Remediation/Closure Plan, June 1989.
8/24/89	2. 4. Letter from Bobby D. Allen, Memphis Environmental Center, Inc., to Rob James, EPA Region IV. This letter, with attachments, presented the Memphis Environmental Center, Inc. position regarding safe clean-up levels for dicamba and benzonitrile.
8/28/89	2. 2. Memorandum from Donnissa L. Duvic, Roy F. Weston, Inc., to file. This memorandum contained additional analytical results prepared by U.S. Pollution Control, Inc. for the Shaver's Farm Drum Disposal Site.
9/5/89	2. 4. Letter from Bobby D. Allen, Memphis Environmental Center, Inc., to Jan Rogers, EPA Region IV. In this letter Memphis Environmental Center submitted an outline of work proposed to be implemented at the Shaver's Farm Drum Disposal Site.
9/14/89	2. 4. Letter from Robert Jourdan, EPA Region IV, to Bobby D. Allen, Memphis Environmental Center, Inc. This letter EPA Region IV responds to the August 23, 1987 Memphis Environmental Center comments on the Remediation Closure Plan.

SHAVER'S (HAROLD) FARM Removal Site**

10/12/89	2. 4. Memorandum from John C. Lank, EPA Region IV, to Chuck Eger, EPA Region IV. In this memorandum the EPA Region IV Waste Compliance Section stated that, based on the information contained in the Memphis Environmental Center, Inc. report of July 11, 1989, the latex samples did not meet the criteria for Resource Conservation and Recovery Act hazardous waste designation.
10/23/89	2. 4. Letter from Bobby D. Allen, Memphis Environmental Center, Inc., to Chuck Eger, EPA Region IV. This letter transmitted a draft copy of the Work Plan entitled "Shaver's Farm Response Action" dated October 1989 (attached), submitted for review and comments.
10/25/89	2. 4. Letter from James G. Mueller, PHD, EPA Environmental Research Laboratory, and Peter J. Chapman, PHD, EPA Environmental Research Laboratory, to Chuck Eger, EPA Region IV. This letter explained why biodegradation was not a practical solution for treating dicamba and benzonitrile at the Shaver's Farm Drum Disposal Site.
10/30/89	2. 9. Action Memorandum from Chuck Eger, EPA Region IV, to Patrick M. Tobin, EPA Region IV. A request for Removal Authorization for the Shaver's Farm Drum Disposal Site, Lafayette, Walker County, Georgia. Due to the PRIVILEGED nature of the material portions of this document have been withheld. Withheld material is available, for Judicial review only, at EPA Region IV, Atlanta, Georgia.
11/2/89	2. 4. "Shaver's Farm Removal Action Work Plan," Memphis Environmental Center, Inc. and McBride-Ratcliff and Associates, Inc., October 1989.
11/3/89	2. 4. Letter from Jan B. Rogers, EPA Region IV, to Bobby D. Allen, Memphis Environmental Center, Inc. This letter approved changes to the Work Plan submitted by Memphis Environmental Center, Inc. on November 2, 1989.
11/7/89	2. 2. Memorandum from Donnissa L. Duvic, Roy F. Weston, Inc., to file. This memorandum contained analytical results prepared by Analytical Services, Inc. Tests for EP Toxicity metals, dicamba and benzonitrile were done on soil samples from the Shaver's Farm Drum Disposal Site.
11/8/89	10.11. Modification To Administrative Order By Consent: In The Matter Of: Shaver's Farm Landfill Site, Walker County, Georgia, Velsicol Chemical Company, Respondent. EPA Docket No. 88-10-C.
